

FRIFRI ECO 4 + 4 ELECTRIC COUNTER-TOP TWIN TANK FRYER - 2 BASKETS - W 384 MM - 2 X 3.2 KW

MODEL: 650103

Minimum space, maximum output. The FriFri 2 x 3.2kW Eco 4 + 4 Counter Top Fryer won't take up much space on your worksurface, but it will deliver when you need it to. Sturdy, with a stainless steel tank for easy cleaning, it's ideal for any venue where chips and other highly-flavoured fried foods are required. The dual independently controlled tanks mean you can quickly cook deliciously crispy fish, chips or chicken without any flavour transfer between tanks, while its high power elements reduce the heat up and recovery time of the oil, increasing the output of food. Equipped with a mechanical thermostat for maintaining oil temperature, the Eco 4 + 4 boasts the kind of quality that customers have come to expect from the FriFri brand for over 70 years.
