

#### PRODUCT OPTIONS AND ACCESSORIES

- U07/012 Brush Head - Nylon - for Pot Boy Power Brush
- S64/090 Trolley for Pot Boy Power Brush

Designed to be used on pans and cookware, the Pot Boy scrubber effectively removes encrusted or burnt deposits, enabling staff to work quickly and productively. It can also be used to clean sanitaryware, to improve hygiene standards.

Quick and easy to use, with low running costs, Pot Boy can be mounted over a sink unit, or supplied with a trolley to allow cleaning of fixed catering equipment, such as griddles and bratt pans in-situ. Additional features include a wall-mounting plate, to save on counter space, and a pneumatic, foot-operated switch, so the unit can be switched on and off easily, without the need for hand contact.

#### PRODUCT FEATURES

- Effectively removes burnt deposits from pans and cookware.
- Compact design allows the Pot Boy to be mounted over sink units.
- Can be moved by a trolley (optional) to fixed equipment, for cleaning in-situ.
- Efficient, foot-operated pneumatic switch enables quick and easy operation.
- Unique hydraulic system means brush is driven by a fluid circuit, for safety.
- Tough, long-lasting nylon brush head.
- Available with wall-mounting plate, to save space.
