KEEPING IT COOL

Designed to accommodate heavy-duty Opus 800 series equipment such as chargrills, griddles and induction hobs, the unit has self-closing, heavy-duty drawers capable of holding 1/1 GN 100mm-deep containers, providing convenient bulk storage for meat and fish.

The Blu° chef bases are powered by a three-pin plug, therefore requiring no installation. For ease of cleaning, the units have removable drawers, rounded interior corners and removable rubber magnetic door gaskets. They are supplied on castors, making it simple to pull the unit out for a deep clean. As with all Lincat products, the Blu° chef bases come with a two-year warranty.
