

With four 1.85kW induction zones and a large three 1/1GN capacity oven, the Phoenix Electric Induction Oven is all about flexibility. Need intense heat quickly? Two zones can be boosted to 3kW for up to ten minutes, meaning you'll be cooking delicious dishes in no time. Power to the other two zones will drop during the boost period. Ideal for care homes and schools, as well as smaller pubs and restaurants, the oven is easy to clean and offers incredible efficiency by automatically cutting power when no pan is present.
