

BR1SS-FISH

NEW UPRIGHT SOLID DOOR FISH REFRIGERATOR WITH TRAYS

Description

Brand new for 2024 the BR1SS-FISH is a well needed addition to the Blizzard storage refrigeration line up and adds another arm in the specialist refrigeration offering from Pentland.

An excellent use of the already popular BR/BF range design utilises its high grade 304 stainless steel build, high quality durable castors and self-closing reversible door with dwell position in conjunction with all new features perfect for storing fish in its 7 included trays as standard.
